The Directors have no immediate plans to allot and issue any new Shares other than Shares which may fall to be issued upon the exercise of options granted under the share option scheme of the Company.

REPURCHASE MANDATE AND EXTENSION MANDATE

At the Annual General Meeting, an ordinary resolution will also be proposed that the Directors be given the Repurchase Mandate, i.e. a general and unconditional mandate to exercise all powers of the Company to repurchase on the Stock Exchange or on any other stock exchange on which the Shares may be listed, Shares up to a maximum of 10% of the nominal amount of the issued share capital of the Company as at the date of passing of the relevant resolution.

The Repurchase Mandate and the Issue Mandate would continue in force until the conclusion of the next annual general meeting of the Company after the Annual General Meeting unless they are renewed at such meeting or until revoked or varied by ordinary resolutions of the Shareholders in a general meeting prior to the next annual general meeting of the Company.

LETTER FROM THE BOARD

than 48 hours before the time for the Annual General Meeting or any adjournment thereof to the Company's branch share registrar in Hong Kong, Tricor Tengis Limited at 26/F., Tesbury Centre, 28 Queen's Road East, Hong Kong. Completion and return of the form of proxy will not preclude you from attending and voting at the Annual General Meeting or any adjournment thereof should you so wish.

RECOMMENDATION

The Directors believe that the grant of the Issue Mandate, the Repurchase Mandate and the Extension Mandate and the re-election of directors are beneficial to the Company and the Shareholders as a whole.

The Directors believe that an exercise of the Issue Mandate and the Extension Mandate will enable the Company to take advantage of market conditions to raise additional capital for the Company.

The Repurchase Mandate may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such repurchases of Shares will benefit the Company and the Shareholders.

An exercise of the Repurchase Mandate in full could have a material adverse impact on the working capital and gearing position of the Company compared with that as at 31 March 2007, being the date of its latest audited consolidated financial statements. The Directors do not, however, intend to exercise the Repurchase Mandate to such extent as would in circumstances have a material adverse impact on the working capital or gearing levels of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

Accordingly, the Directors recommend that Shareholders vote in favour of the ordinary resolutions approving the re-election of directors, the Issue Mandate, the Repurchase Mandate and the Extension Mandate at the Annual General Meeting.

No Shareholder is required to abstain from voting at the Annual General Meeting under the Listing Rules.

GENERAL INFORMATION

Your attention is drawn to the additional information set out in the appendix to this circular.

Yours faithfully,
For and on behalf of the Board
Extrawell Pharmaceutical Holdings Limited
Mao Yu Min
Chairman

This appendix serves as an explanatory statement, as required by the Listing Rules, to provide requisite information to enable you to make an informed decision whether to vote for or against the resolution(s) to approve the grant of the Repurchase Mandate to the Directors.

1. LISTING RULES RELATING TO THE REPURCHASE OF SHARES

The Listing Rules permit companies whose primary listing is on the Stock Exchange to repurchase their shares on the Stock Exchange subject to certain restrictions, amongst which the Listing Rules provide that the shares of a company with a primary listing on the Stock Exchange must be fully paid up and all repurchase of shares by a company with a primary listing on the Stock Exchange must be approved in advance by an ordinary resolution of shareholders, either by way of Repurchase Mandate or by specific approval of a particular transaction.

2. SHARE CAPITAL

As at Latest Practicable Date, there was a total of 2,290,000,000 fully paid Shares in issue.

Subject to the passing of the proposed resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased prior to the Annual General Meeting, the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 229,000,000 Shares during the period ending on the earlier of the conclusion of the next annual general meeting of the Company or the date by which the next annual general meeting of the Company is required to be held by the Bye-Laws or any applicable laws or the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders in a general meeting.

3. REASONS FOR THE REPURCHASE

The Directors believe it is in the best interests of the Company and its Shareholders to seek a general authority from the Shareholders to enable the Company to repurchase its Shares on the Stock Exchange pursuant to the Repurchase Mandate. Share repurchases may depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset per Share and/or earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and its Shareholders.

4. FUNDING OF REPURCHASES

Repurchase made pursuant to the Repurchase Mandate would be funded out of funds legally available for the purpose in accordance with the Company's memorandum of association and bye-laws and the applicable laws of Bermuda.

The laws of Bermuda provide that the amount of capital repaid in connection with a share repurchase may only be paid out of either the capital paid up on the relevant shares, or the funds of the company that would otherwise be available for distribution by way of dividend or distribution or the proceeds of a fresh issue of shares made for the purpose. The amount of premium payable on repurchase may only be paid out of either the funds of the Company that would otherwise be available for distribution by way of dividend or distribution or out of the share premium account of the company. Should the Directors consider it desirable, they would be

able to finance the purchase out of funds borrowed against any of the abovementioned accounts. In addition, under the laws of Bermuda, no purchase by a company of its own shares may be effected if, on the date on which the purchase is to be effected, there are reasonable grounds for believing that the company is, or after the purchase would be, unable to pay its liabilities as they become due. In accordance with the laws of Bermuda, the shares so repurchased would be treated as cancelled but the aggregate amount of authorised share capital would not be reduced.

Repurchase of Shares may be funded out of the internal resources of the Group and/or banking facilities as the Directors consider desirable according to the then financial position of the Group. The Directors wish to state that they have no immediate plan to repurchase any Shares pursuant thereto.

There might be material adverse impact on the working capital and gearing position of the Company (as compared with the position disclosed in the latest published audited financial statements contained in the annual report of the Company for the year ended 31 March 2007) in the event that the Repurchase Mandate were to be carried out in full at any time during the proposed repurchase period. The Directors, however, do not intend to exercise the Repurchase Mandate to such extent as would in the circumstances, have a material adverse impact on the working capital requirements or the gearing levels of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

5. SHARE PRICES

The highest and lowest prices at which the Shares have been traded on the Stock Exchange in each of the previous 12 months preceding the Latest Practicable Date and up to the Latest Practicable Date are as follows:

	Highest	Lowest
	<i>HK\$</i>	<i>HK\$</i>
July 2006	0.250	0.215
August 2006	0.236	0.215
September 2006	0.270	0.220
October 2006	0.345	0.255
November 2006	0.325	0.280
December 2006	0.395	0.310
January 2007	0.380	0.325
February 2007	0.345	0.285
March 2007	0.660	0.275
April 2007	0.750	0.550
May 2007	1.650	0.650
June 2007	3.920	1.690
July 2007	3.150	2.150
August 2007 (up to the Latest Practicable Date)	3.000	1.400

6. THE CODE AND MINIMUM PUBLIC HOLDING

If a Shareholder's proportionate interest in the voting rights of the Company increases on the Company exercising its powers to repurchase Shares pursuant to the Repurchase Mandate, such increase will be treated as an acquisition for the purposes of Rule 32 of the Code. As a result, a Shareholder or group of Shareholders acting in concert (as defined in the Code) could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Code.

As at the Latest Practicable Date, Well Success Limited and United Gene Group Ltd held 52,000,000 and 480,000,000 Shares respectively, representing approximately 2.27% and 20.96% of the entire issued share capital of the Company, respectively. Assuming that there will be no change in the issued share capital of the Company prior to the repurchase of Shares and Well Success Limited and United Gene Group Ltd did not dispose of their respective Shares nor acquire additional Shares prior to any repurchase of Shares, if the Repurchase Mandate, if so approved, were exercised in full, the respective percentage shareholding of Well Success Limited and United Gene Group Ltd would be increased to approximately 2.52% and 23.29% of the then issued share capital of the Company, respectively. On the basis that Well Success Limited and United Gene Group Ltd are considered to be concert parties (as defined under the Code) and assuming that the Repurchase Mandate, if so approved, is exercised in full, the aggregate percentage shareholdings of such concert group before and after such repurchase would be 23.23% and 25.81%, respectively, and the concert parties would not be obliged to make a mandatory offer under Rule 26 of the Code.

The Directors are not aware of any consequences which would arise under the Code as a consequence of any repurchases pursuant to the Repurchase Mandate.

An exercise of the Repurchase Mandate whether in whole or in part will not result in less than 25% of the Shares being held by the public.

7. GENERAL

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their Associates, has any present intention to sell any Shares to the Company if the Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange that they will only exercise the power of the Company to make repurchases pursuant to the Repurchase Mandate and in accordance with the Listing Rules and the applicable laws of Bermuda.

The Company has not been notified by any connected person (as defined in the Listing Rules) that such a person has a present intention to sell any Shares to the Company, or has undertaken not to do so, if the Repurchase Mandate is approved by the Shareholders.

No repurchase of Share has been made by the Company during the last six months preceding the Latest Practicable Date, whether on the Stock Exchange or otherwise.
